

VAUXHALL BETHEL EVANGELICAL FREE CHURCH

In search of a Pastor

Hello! We are a small, tight-knit congregation in Vauxhall Alberta, in search of a Pastor beginning in July of 2026.

Our church has been well-established for many years now, with currently anywhere between 35-65 people, and a good mix of people of all ages attending.

Our goals include the further building & equipping of our church body in solid biblical truth, and outreach in our community. We are a member of our local Chamber of Commerce as a non-profit group, simply to be visible in town and to take part in some of the community events. This is very important to us!

A little more about BEFC. We offer Sunday School classes to all ages, monthly potlucks, and have regular Wednesday evening prayer meetings. There are a few other Christian churches in Vauxhall, who we partner up with occasionally for special events.

Please check out our website!

www.vauxhallbefc.com

Our town has most basic services and recreational facilities, and we draw in many folks from surrounding smaller communities and farms.

We have excellent schools from K-12, and many sports programs.

As our current Pastor and his wife lean into retirement, we are prayerfully in search of someone to take on this role.

Thank-you for considering!

Feel free to email Angie at aj-klem@hotmail.com to submit a resume or for further information.
