Evangelical Free Church of Regina

Dear Sir or Ma'am,

The EFCC is a small but vibrant community of Christ followers in the north end of Regina. Although we have been without a pastor for several years, our fellowship remains steadfast. Growth is not simple, however, without the guidance and support of a shepherd.

Our church is dedicated to reaching our community. We have a weekly prayer meeting, a weekly Kids Club that serves families in the neighbourhood, and a monthly men's breakfast.

We realize that there is a potentially mutually beneficial opportunity available in the local Bible College community. We can offer a **part-time pastoral position** to a young minister looking to gain experience and we would gain the fresh inspiration of someone called of God to minister to the flock.

Any potential candidate would need to accept the Evangelical Free Church of Canada's Statement of Faith, Code of Conduct, and Ethos (please see the attached). It is not a requirement for the candidate to already be a member of the EFCC.

If you are aware of anyone who might be interested in and available for such an opportunity, please let us know and forward our invitation to them.

Sincerely,

Sharon Cummins
