

SEVEN PERSONS COMMUNITY CHURCH

Seven Persons, Alberta
sevenpersonschurch@gmail.com

Position Available: Pastor

WHO WE ARE:

- We are a small rural church whose roots stretch back to 1957 when the church was founded and began meeting in Seven Persons School. Over the years we also met in the Community Hall as well as a rented facility until we were able to construct a permanent home in 2008.
- We became part of the Evangelical Free Church of Canada in 1986 and while we follow their doctrine, as a small community church we welcome all!
- Even though we may be small in number (average weekly attendance currently is around 30); our attendance has ebbed and flowed throughout the years as we are a bedroom community to nearby Medicine Hat.
- We are quite informal, community minded, and pride ourselves in our fellowship which includes monthly potlucks, weekly coffee times, an annual Easter pancake breakfast and Christmas program where the entire community is welcomed and included.
- Outreach and missions are equally important as we are currently supporting three missionary families through various mission organizations. We had previously taken youth to Mexico on mission trips as well as held Missions Fest weekends.
